

REMARKS

Review and consideration of the claims are respectfully requested. The amendment is directed to adding the Abstract of Disclosure to the application, to the cancellation of the claims as filed, and the addition of new claims of a similar scope without the multiple dependencies of the original claims. The new claims are drafted more in the American practice style. The filing fee of this application is based on the claims as amended. Should an additional fee be due or if an overpayment has been made, the Commissioner is hereby authorized to charge any additional fee or refund any overpayment to Deposit Account No. 23-0920.

Should the Examiner be of the opinion that a telephone conference would expedite prosecution of the subject application, he is respectfully requested to telephone applicant's undersigned attorney.

Respectfully submitted,
